14. Disbanding – The parade ends at the corner of 16th street and 5th Ave. Please QUIT playing/dancing at this point, and continue to walk straight back in to the staging area so you do not create a stoppage in the parade. If your group needs to gather and situate prior to exiting the staging area, please do so on one of the side street areas, NOT on 16th street. If you are a motorized unit, you will need to keep straight on 16th Street to Rev. Abraham Woods Jr. Blvd. At this point, you have officially completed the parade. If you need to adjust anything on your vehicle for transport, you will need to do so at an area OUTSIDE of the parade route and staging area.

NOTE: ALL MARCHING BANDS MUST CEASE PLAYING FROM THIS POINT. PROCEED PROMPTLY TO YOUR BUSES AND LOAD UP.

Have a great time and enjoy, but most of all be safe and courteous to each other!

Participating in the parade means acceptance of all guidelines listed above. Any violation to the guidelines or marshals' directions on parade day will result in immediate removal from the parade. No refunds will be given in the event a unit breaks a parade policy or neglects to follow any instructions given by parade marshals.
